#### Troop Breakout Session: Where to go Camping

Greg Duffy is getting a database together to provide suggestions on where to go Camping. Worksheets were passed out to be complete by Troops and Crews. The database would be located on the Yolano District website. The database needs to be dynamic, easy to update, and easy to sort.

#### Activities:

1. Snow camping, Hampshire Rocks Campground – Tahoe National Forest/South Yuba River, near Rainbow/Big Bend off of Interstate 80. 12 scouts.
2. Backpacking, Emigrant Gap/North Fork Campground – Tahoe National Forest/North Fork American River, at Emigrant Gap Exit off of Interstate 80. 9 scouts.
3. Hiking/backpacking/camping, Mt. Whitney – don't register for the lottery. Go on the backside.
