2019 Cub Scouts Day Camp  
Volunteer Agreement**

Adult and Youth

I agree to serve in my assigned location (every effort will be made to place volunteers in their chosen location)

I agree to serve as a volunteer in a manner consistent with the Cub Scout Promise, Law of the Pack, and the National Standards for Day Camp.

I also agree:

1. I will notify camp staff if my availability to volunteer changes. It is my responsibility to find a replacement.
2. I have current youth protection training, and am registered Cub Scout leader. Please include youth protection proof.
3. I will wear the camp t-shirt (unaltered) every day and **closed toe shoes**
4. I will be at camp each of my assigned days by 3:00pm
5. My position may change from day to day
6. I will park in the large parking lot
7. There is to be no smoking drinking or foul language at camp.
8. Unless requested boys will not be assigned to their current den leaders or their parents.
9. I understand last minute changes may occur.
10. I agree to attend one of the Day Camp volunteer trainings at the Chico Elks Lodge in June.

By signing I have read the Volunteer agreement, and agree with its content.
