Email address: _____

Address: _____ City: _____

Event: _____

Event Date: _____ to _____

Total Youth _____ Total Adults _____

- For any Camp Reservations, it will require a \$50.00 nonrefundable deposit.
- I understand, not all areas of camp will be open during the construction phases.
- All units and events must remove all trash and garbage. What you bring in, you must take it out with you.
- All parking must be done on NorCal Camp property and only in designated marked areas for parking.
- All vehicles must remain in parking areas and cannot be driven into the camping areas to load and unload camping gear.
- The kitchen will not be available and the unit will need to bring your own camping and cooking gear, while in camp.
- If the kitchen is being used, only one vehicle may be driven one-time to the kitchen on the service road to unloaded and load before and after an event and must be verified that the kitchen is cleaned by the camp Ranger before leaving. In other words, leave no trace and leave it cleaned better than you found it.
