Introduction to Outdoor Leader Skills will provide you with the basic outdoor skills needed to start and guide an outdoor program in accordance with BSA standards. The skills taught are based on the outdoor skills found in the Boy Scout Handbook to help you master basic camp skills required for Tenderfoot to First Class.

WHY? Instructors will help you learn how to set up camp, cook, and work with woods tools, and about ropes, planning campfire programs, map reading and compass skills, hiking and packing techniques, nature identification, and outdoor ethics. Each outdoor session will bring to life the pages of the Boy Scout Handbook to help you deliver the promise of Scouting to yourself and the youth you serve. It will increase your comfort level and give you confidence as a trained, skilled leader. The program will also give you the opportunity to work with other Scout leaders.

WHO SHOULD ATTEND? This training is required for all Scoutmasters/Assistant Scoutmasters. We also encourage Venturer Leaders who go camping and Parents/Committee members who support their unit leaders, to complete this outdoor training beginning Saturday morning @ 8:30AM. You should come prepared to camp out on Saturday night and eat breakfast before you arrive. **Saturday lunch, dinner, evening cracker barrel and Sunday breakfast will be provided.**

WHAT SHOULD YOU BRING? All participants are required to bring a completed **Medical Form AB** <https://www.scouting.org/health-and-safety/ahmr/>
A uniform (if you have one), sleeping bag, tent, ground cloth, pocket knife, compass, BSA Field book, BSA handbook, (share books) personal gear and first aid kit, flashlight, folding chair, insect repellent, water bottle, personal eating utensils, and a cooler with water/soft drinks. Check weather conditions for appropriate clothing as we will have classes and camping outside.
