# Unit Leader Award of Merit

## Background

Quality unit leadership is the key to a quality unit program—and it leads to better Scout retention. Statistics show that if young people stay engaged in the program for at least five years, the BSA's influence likely will stay with them for the rest of their lives. A quality Scouting experience will help keep Scouts in the program, and the Boy Scouts of America created the Unit Leader Award of Merit to recognize the quality unit leaders who make that happen.

The Unit Leader Award of Merit replaces the Scoutmaster, Varsity Team Coach, and Venturing Crew Advisor award of merit programs. This new recognition has revised requirements, and Cubmasters are also eligible for this recognition.

## Requirements

The nominee must

1. Be a currently registered Cubmaster, Scoutmaster, Coach, or Advisor who has served in that position at least 18 continuous months.
2. Meet the training requirements for the registered position.
3. Distribute a printed or electronic annual unit program plan and calendar to each family in the unit.
4. Have a leader succession plan in place.
5. Effectively use the advancement method so that at least 60 percent of the unit's youth have advanced at least once during the last 12 months.
6. Cultivate a positive relationship with the chartered organization.
7. Project a positive image of Scouting in the community.

## Nomination Procedure

1. The unit committee chair completes the Unit Leader Award of Merit Nomination Form on behalf of the unit committee. For Boy Scout troops, Varsity Scout teams, and Venturer crews, the nomination must include endorsement by the senior patrol leader, team captain, or crew president, respectively.
2. The unit or district commissioner certifies that the form is complete.
3. The unit submits the nomination form to the council for approval by the Scout executive and council commissioner or president. **The council is responsible for processing the award.**

## The Award

Upon receipt of the approved nomination form, the council may present the Unit Leader Award of Merit, which includes a certificate, square knot with the appropriate device, and a special unit leader emblem. Recognition of this achievement may be presented at appropriate district or council events, such as district or council leader recognition dinners, training events, and board meetings.

The award may be presented for each program, Cub Scouts, Boy Scouts, Varsity, and Venturing, if the individual meets the requirements in each program. Only one knot is worn with the devices of each program that the award was earned in.

## WEARING MEDALS AND EMBROIDERED KNOTS

Only five medals may be worn at a time pinned in a single row immediately above the seam of the left pocket. Knots are worn above the left pocket in rows of three. The order of wearing of medals and knots is at the discretion of the wearer. It is suggested that the medal or knot deemed most important by the wearer be worn on his or her own right. Embroidered knots are representative of pin-on medals or around-the-neck awards and are designed for the convenience of the wearer. In the case of the District Award of Merit and Professional Training Award, the knot is the only wearable insignia.

The loop of the embroidered square knot that comes in front of the standing part is always to the wearer's right. In knots where both strands are the same color and therefore difficult to distinguish which strand comes in front, use the above drawing to determine wearer's right. Knots are worn with the distinguishing color (not white) toward the wearer's right.

The Scouter's Training Award and Scouter's Key may be earned in several program phases. More than one knot of the same kind is not to be worn. Rather, the miniature devices--No. 00926, Cub Scouting; (if earned prior to December 31, 1988) No. 00927, Boy Scouting; No. 00928, Varsity Scouting; No. 00931, Sea Scouting; No. 00871, commissioner; No. 00872, District Committee Member; and/or No. 00930, Venturing--are worn on the knot to designate the phase(s) of the program in which the award or key was earned.
