⊙ Council Service Centers □ Camp Properties

Led by a distinguished executive and advisory board, the Golden Empire Council prides itself on delivering the finest services to youth and families.

The council has a service center and three field offices to meet the needs of the vast territory served. With offices in Chico, Redding, Sacramento, and Yuba City and Golden Empire Council can effectively and efficiently bring Scouting resources and assistance to local communities.

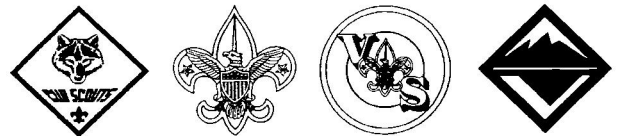

Headquartered in Sacramento, California, the council provides membership, financial, program and unit service for sponsoring organizations. There are 16 full-time, trained professional staff members that help volunteers provide quality programs for youth.

The council operates five camp properties: Camp Robert L. Cole, Camp Lassen, Camp Pahatsi, Camp Pollock, and Camp Winton. These facilities allow for high adventure activities, family campouts, training, long-term camping excursions, and outdoor education.

BENEFITS OF SCOUTING TO THE COMMUNITY

- Scout programs address hunger, child abuse, delinquency, drug abuse, crime, unemployment, and illiteracy.
- Improves quality of life.
- Provides a channel for volunteerism.
- Enhances family life.
- Provides a program for use by chartered partner organizations.
- Trains youth and adults in leadership.
- Provides career training for youth.

Now more than ever, communities need value driven, family based activities. The Boy Scouts of America is committed to meeting these needs. Together with business and community leaders, the Golden Empire Council is prepared and able to meet the increasing needs of our society.
