

PARK RULES

All the rules and regulations of the State Park System apply. You are responsible for knowing them. They include the following:

FIRES are permitted only in the rings provided.

CAMPING is permitted only in the designated areas.

HUNTING and **SHOOTING** are prohibited in the park.

DOGS are permitted, on leash, on park trails and roads and in developed campsites.

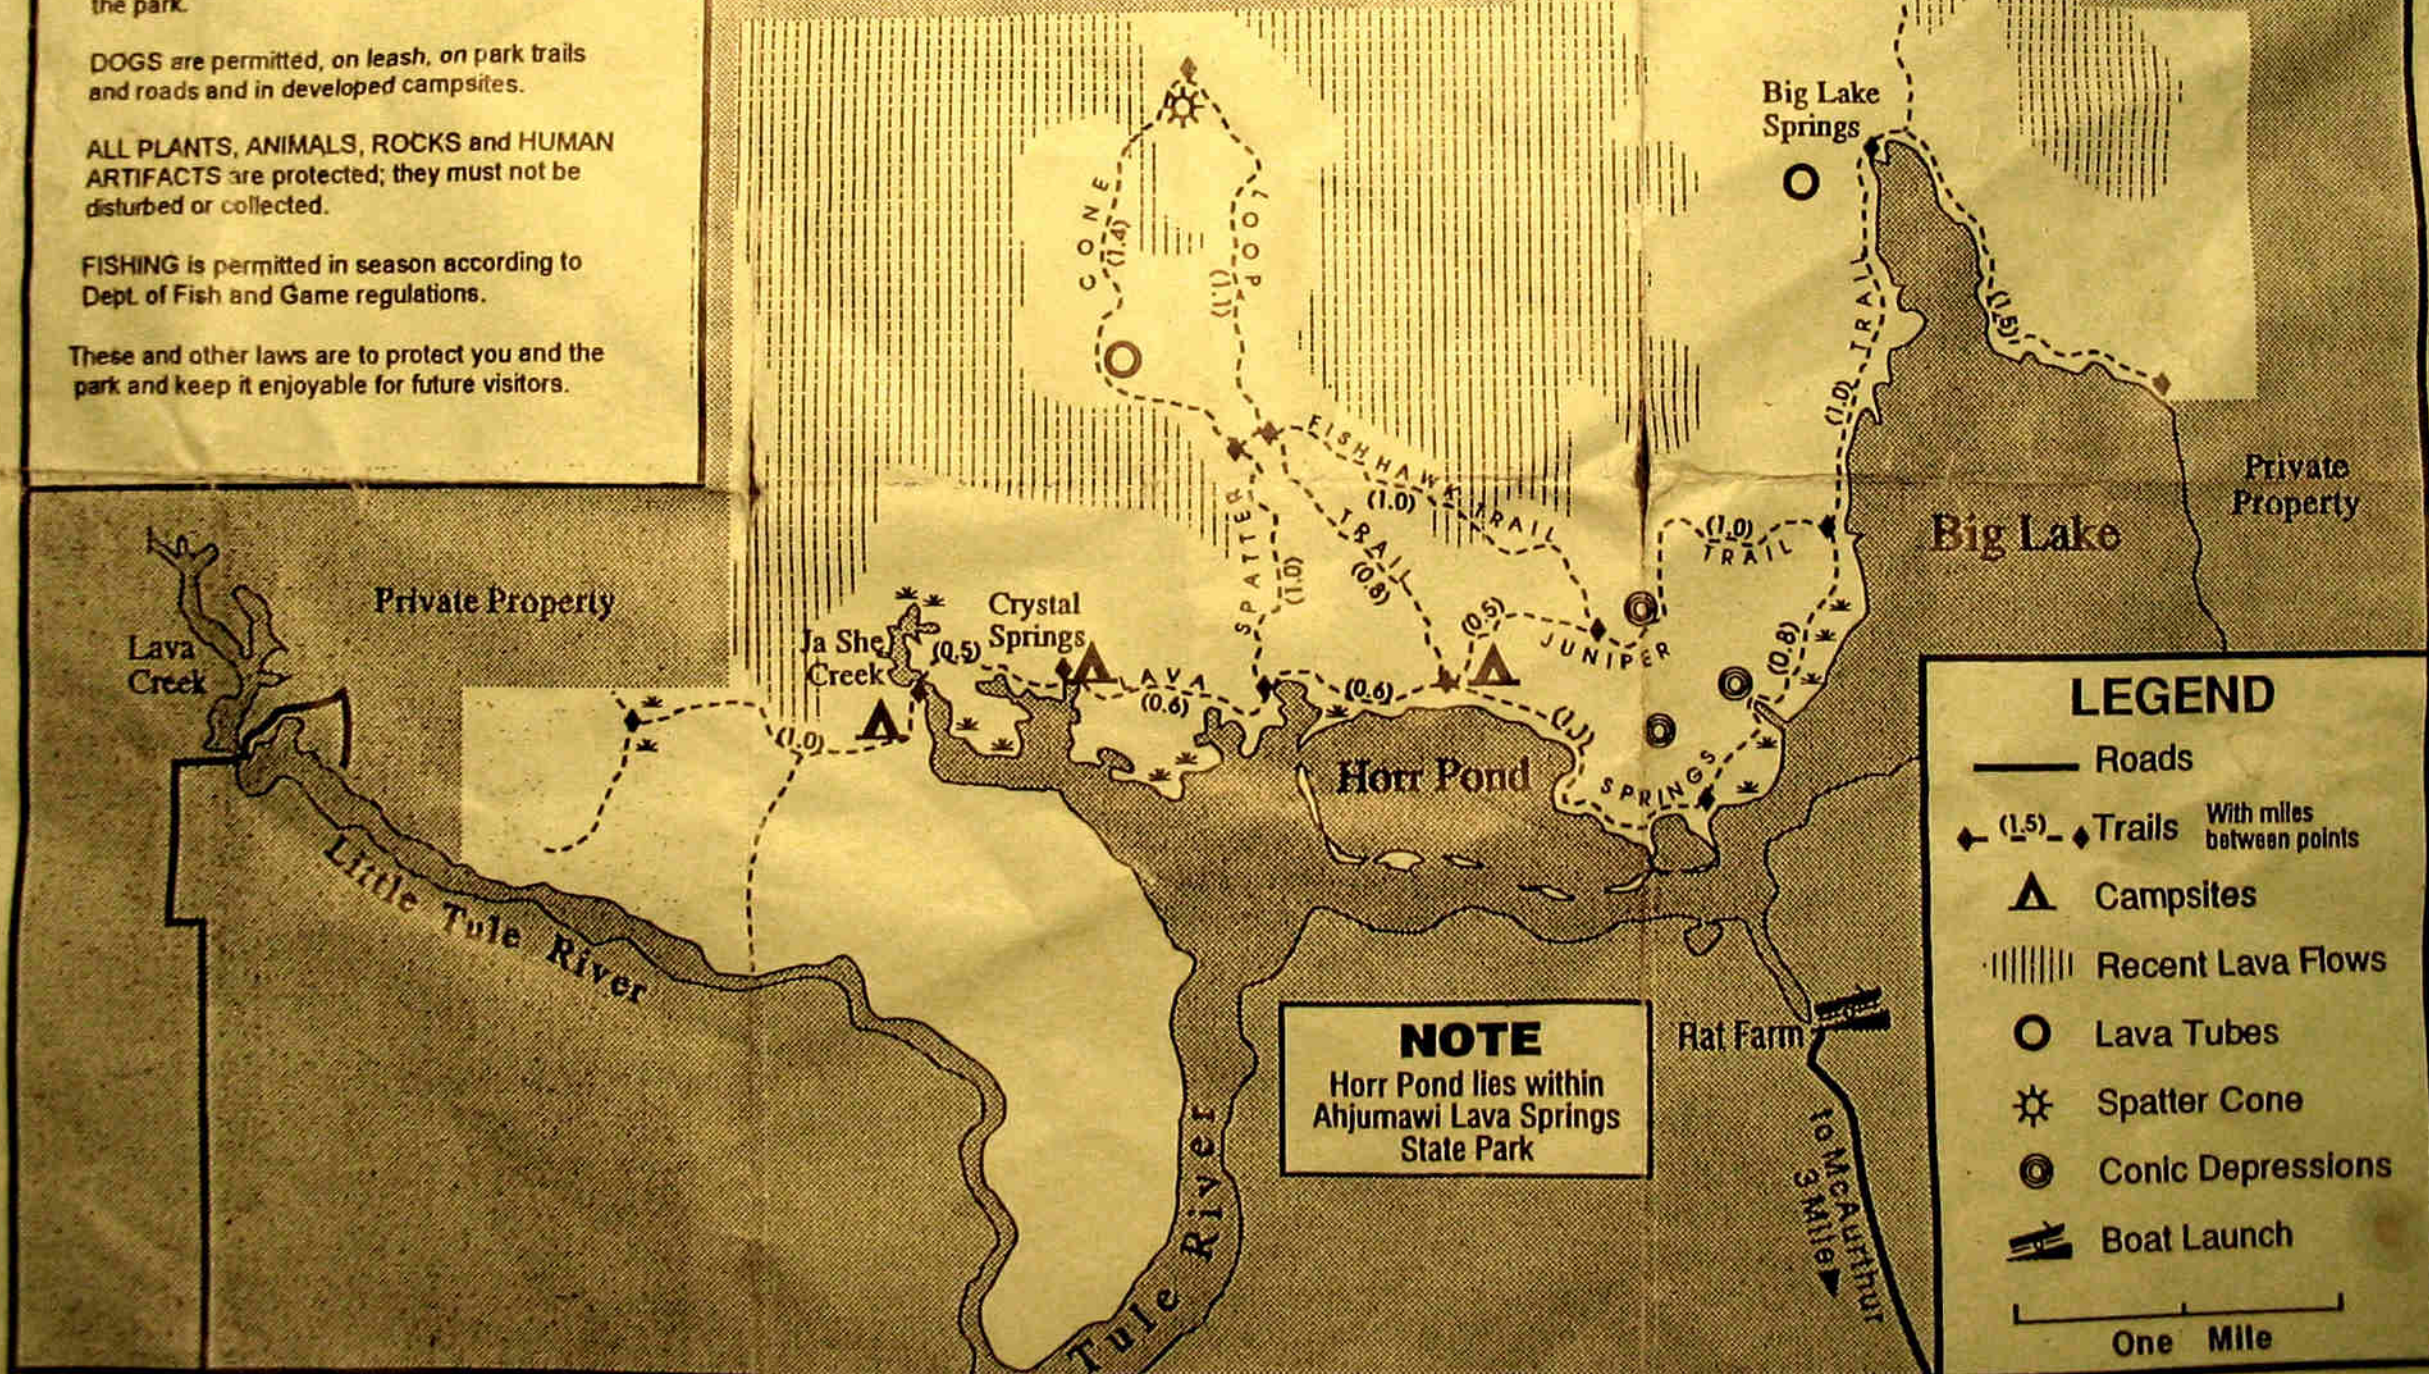

ALL PLANTS, ANIMALS, ROCKS and **HUMAN ARTIFACTS** are protected; they must not be disturbed or collected.

FISHING is permitted in season according to Dept. of Fish and Game regulations.

These and other laws are to protect you and the park and keep it enjoyable for future visitors.
