## Why should I attend Basic Training?

New Leader Essentials and Leader-Specific training is the basic training for adult leaders serving youth in the Boy Scouts of America. Through a series of presentations, you will get an overview of the core elements of Scouting, including the following:

### What Questions Can I get Answered?

- How do youth grow and develop?
- Where do I fit in?
- Where do I get help?
- Who pays for Scouting?
- How do I keep Scouting SAFE?
- How Do Cubs bridge into Scouting?

Thank you for your dedication to the greatest youth organization in the world. **REMEMBER;**  
**every boy deserves a trained leader.**
