Pinewood Derby

On April 10th, our first district pinewood derby was held at Natomas High School. This event was hosted by Troop 22 and Pack 22, and was coordinated by Greg Kramer. We had help from many hands. Even Chris Mc Swain took time out of his very heavy schedule to retrieve a American flag for the event.

All of the participants and the spectators had fun.

We had 20 racers from 9 packs

The top 3 are:

First place Chandler H. Pack 138

Second place Michael H. Pack 107

Third place Logan C. Pack 107

Cubscout Corner:

For the months of February and March, my den learned about power - we made electricity by sticking metal and copper in lemons and limes, and by rubbing balloons against our hair. We got to see power working when we went to watch Jesuit's Robotics team build their robots. We made wind power by blowing up a balloon and putting a propeller on it. We also talked about good food and how it powers our bodies. Power is very important in our lives. Saverio B. Den 5, Pack 22

Roundtable Needs:

We're looking for a volunteer to help out with the Boy Scout Breakout sessions. Ideally, this person would be a former Scoutmaster, however, it is not a requirement. Please see Greg Kramer, Richard Smiley or Scott Hadaway if you are interested.

BRAD'S THOUGHTS

"A boo is a lot louder than a cheer. If you have 10 people cheering and one person booing, all you hear is the booing."-Lance Armstrong
