NOAC 2002

Participants Gather Prior to One of the Many NOAC Events

Thousands of brothers gather every other year at the site of a major university. Although the Order of the Arrow is a program of the Boy Scouts of America, participants ar-

rive from nearly every corner of the world for a week of training and fellowship. It is a great opportunity to meet other Arrowmen from all over and have an awesome time

Lodge Chief

Dear Brothers,

It has been a wonderful and great experience serving as your Lodge Chief so far and I look forward to the months ahead. We have accomplished quite a bit in the past such as finishing our elections and calling out 448 youth into our order. But there is still much to follow. Now that we have called out all these youth and adults we must now set the example and lead them through their ordeals. I encourage you to participate in your ordeal as an Elanomat, ceremony team member, or support staff.

The upcoming ordeals are critical to the development of our lodge by

increasing our membership and, if we make a good enough impression, increasing participation and activity.

To become a part of the ordeal experience please contact your chapter chief who will be able to link you up with the ordeal master and advisor. Aside from our upcoming ordeals, the next big activity our lodge is participating in is the 2004 NOAC, National Order of the Arrow Conference, at Iowa State University in Ames, IA.

Our contingent is finally made and we now have 51 Arrowmen attending from our lodge. By having Arrowmen go to a NOAC it not only helps us retain members, but also

provides new trained members to lead the lodge in the future. I have no doubt that our lodge is one of the greatest and that we will be a "Quality Lodge" this year. All of the success in this lodge is ultimately the result of supportive and active members. I thank you for your help so far and look forward to your continued activity in this great lodge.

Yours in Brotherhood,

First off, I feel that this is going to be another great summer. I want to congratulate all of the chapters who have been able to get their budgets in promptly. For those of you who have not had your budgets approved, I would like to remind you that you cannot spend money from your chapter account until you have an approved chapter budget.

I would also like to highly encourage all of our members to pre-

register for all of the activities you go to this year. I hope to see you around, and have a great year.

Vice Chief of Inductions

This year, with nearly all the call-outs completed, we have 476 ordeal candidates. Planning for the ordeals are on track. At the Inductions Committee meeting in May we discussed ordeal planning progress and the dates for the Pahatsi Ordeal that is planned to take place at Camp Pollock.

There was a brotherhood ceremony at the May COC offered by the Lodge NOAC Brotherhood team. Five ordeal members took the op-

portunity to become brotherhood. We are urging all brotherhood candidates to make at least one ordeal and go through the brotherhood ceremony. This is just one way to help the lodge qualify for Quality Lodge again this year.

A lot has been happening lately in AIA (American Indian Affairs). We were able to hold a ceremonies team practice for all of the chapters before the COC on March 13th. The practice was offered in order to give chapters a chance to get started developing their ceremonies teams. Our goal is to have a ceremonies team in each chapter.

We have also found out that there is a new competition at NOAC this year, a Call-out Ceremony. We plan to staff a team for that competition as well as the ones we are already practicing for.

I had the pleasure of attending an American Indian Show in Marysville, on March 12th. It was cool to see each individual style of dance along with an awesome drum group. Wonderful Indian stories were told and we also had the opportunity to

hear a great pair of flute players. An experience that showed completely the greatest aspects of Native American Culture.

At the beginning of April, I had the opportunity to attend the annual UC Davis Powwow. Among the various competitions I saw an unbelievable hoop dancer, looked through the various different craft tables and just had a tremendous amount of fun.

Later in the month, dancers attended the W3A Conclave at the Santa Cruz County Fairgrounds in Watsonville. Our lodge dancers were only allowed to compete in the open competition but **Donald McCausland** took home the third place ribbon.

On April 29, the Kowaunkamish dance team was invited to dance for a Cub Scout pack meeting, which turned out to be a lot of fun. On

April 30th the Kowaunkamish dance team also traveled to San Ramon to put on a show for the Lions Club. It was a huge success, the Lions Club was very hospitable and it was a joy to perform for them.

NOAC teams are doing well. We are looking forward to the opportunity of competing and fun at NOAC.

Upcoming powwows are:

- San Diego, Honoring our Elders Powwow May 15-16
- Yuba College Powwow on June 5
- Chico Sober Nations Powwow June 19-20

Summer is just about upon us and many of our troops and packs will be attending council summer camps very soon. If you are an arrowman on staff at a camp, thank you. You are the ones that will make summer camp a special experience for the younger scouts. Be sure and wear your sash at every opportunity.

Here is an update on the status of camps GTSR and Pahatsi: Pahatsi will be closed at least until 2006 maybe even 2007, this date may change depending on the outcome of the litigation with Royal Gorge. **NO ONE WILL BE ALLOWED ON THE PROPERTY AT PAHATSI UNTIL FURTHER NOTICE!** GTSR will be open for weekend type camping or for use as a base camp for high adventure type activities by units from July 10, 2004 to Oct. 10, 2004. There will be a nomi-

nal fee for this (approx. \$25 per unit for the weekend. Longer stays available for additional cost. This is to cover the cost of having to keep a Ranger/caretaker on site during this period.) There will be no program, but this would be a great place to take a troop for the weekend and it might help introduce some units to GTSR. Contact the Council office for reservations. GTSR may be able to provide a Summer Camp program next year ('05) but it will depend on what kind of progress is made on the infrastructure problems this year.

One of our tasks this year is to update the Where to Go Camping Book. Time constraints have limited the completion in a timely manner. If there are any youth who have computer experience with Microsoft Publisher and want to help with the book please contact the VC of

Camping or Camping Advisor . Please contact your Chapter Officers/Advisor for contact information.

Brothers,

I would like to welcome all new members; welcome to the brotherhood and don't worry its not all as bad as the ordeal. In fact, we are now planning a real fun event for new and old members alike called the Fall Fellowship. This year the Fall Fellowship will be held in Sacramento at Camp Pollock.

I am working hard to make the Lodge Fellowship a big success and we will be having competitions that match Conclave so we can again bring home the Bald Eagle. Both events are fast approaching.

For those of you who are new members, these events are a must, they are so fun, and don't worry, you eat lots of good food. Both events look to be real fun this year, so sign up.

Fellowship is especially important because we elect our new Lodge officers and at conclave we elect our new Section Officers. I look forward to seeing you at these fun events. REGISTER NOW for fellowship and conclave.

Now on to other matters, we need patch designs at the next Council of Chiefs (COC) meeting for the Fall

Fellowship. The preliminary theme is "Brotherhood: It Hits a Jackpot Every Single Time". Please if your a new member and have a patch design send it to COC with your chapter chief or come your self and submit it.

Lastly, I would like to thank all those who came out and helped at Scout-O-Rama, thanks.

Yours in Brotherhood,

Stephen Whitcomb
Vice Chief of Programs

Lodge Advisers Corner

I would like to extend an Arrowman's welcome to all the new members who will pass through their ordeal in the next three months. The personal achievement and experience is something you will carry with you for the rest of your life. But, always remember the journey of Cheerful Service has just begun and never ends.

I cannot encourage each of you enough to always step forward to serve in you troop, family, religious community, lodge and chapter. Service is not limited to just Scouting but rather, is connected to everything we do and the people we meet every day. Service is putting into action the Scout Oath, Law and admonition. Members of our units, who saw in us something special, chose us as worthy to lead and act by example and make everything we touch a little better.

One of the Many Programs offered at the 2002 Fall Fellowship

Now is the time to set goals for yourself, become active in your chapter, find something you like to do, and get on that committee. Never wait to be asked, for you may never be asked. It is expected that an Arrowman steps forward and becomes involved without being asked. You could plan to earn your Brotherhood honor within the next year, be an Elangomat and help a candidate pass their ordeal, work on your chapters Camporee staff, and start an arrow of light or other ceremony team. You are only limited by your own imagination and effort so start today.

The Lodge and our section have GREAT activities planned for YOU! The Section Conclave is in September. Seven lodges will come together to PARTY and enjoy friendly competition. It will be held at Camp Chawanakee at Shaver Lake, CA. September 17th through 19th. Sign up NOW to receive the

discount rate.

Conclaves have Games, Indian Dancing, ceremony competitions, training classes, sporting events, swimming, the election of next years Section Chief and officers and a lot more cool stuff ran by the section officers (BIG KIDS).

Strong Showing at W3A

Although Amangi Nacha Lodge is not part of the W3A Section, it is not uncommon for members of the lodge to attend the conclave and show their Nachos spirit. The recent W3A Conclave was no different, Amangi Nacha was well represented by the members attending the con-

clave. All those that attended had a fun and educating experience as described by two of our brothers that participated in the weekend's events.

With the W3A over and the summer ahead, it is never too early to start

looking towards the W3B. Amangi Nacha Lodge is one of six lodges that make up the W3B. The 2004 W3B Conclave will be held at Camp Chawanakee at Shaver Lake, California on September 17-19. Mark your calendars now so you do not miss this great event.

Two Lodge Vice Chiefs Share their W3A Experience

Hello my Brothers,

The weekend of the 23-25th was the W3A Conclave. We had a total of 13 people attend the conclave. The youth came from Kend-wit Ihum and Kowaunkamish chapters, thank you to those chapters for getting your Youth there to represent not only our Lodge but our section, the best of the west W3B!

I am proud to say that us out of section were the most spirited at this weekends Conclave. I am also proud to say that our own Donald McCausland took 3rd place in the open competition at the Indian Pow-wow at the W3A conclave.

My Conclave...Nachos

Our very own Amangi Nacha Lodge was present and greatly noticed at the 2004 W3A Conclave. Our contingent enjoyed NASCAR at "Scout Night at the Races" at Watsonville Speedway, on site at the Santa Cruz County Fairgrounds. With a greater showing than a W3A lodge, the Amangi Nacha Lodge faithfully retaliated to every lodge cheer with a rousing cheer of "Nachos" or the very popular: "Out of Section!"

Schooling at the Uncas University went very well for both Section W3A and our own lodge contingent. Our Indian Lore experts as well as NOAC ceremony team members

We got a sneak peak at what our Conclave would be at on the Mid-way and it looked to be great, I myself talked to the Western Region chief and he said he had heard that it was going to be a Great Conclave. So chapters lets try to bring as many people to the W3B conclave that we can so we can show those who come up from W3A that our Lodge is the Best Lodge in the west. --

Your In Brotherhood,

Stephen Whitcomb
Lodge V.C of Programs

earned degrees in American Indian Lore after hours of captivating and authentic presentations. But a total of six courses of study were available. Degrees were also earned by Nachos in Leadership, brightening the future of our lodge.

Our star-studded contingent included past Lodge Chief **J.P. Jones**, Acting Chief/Vice Chief of Programs **Stephen Whitcomb**, Vice Chief of Indian Lore **Josh Green**, Vice Chief of Camping **Jeff Barnes-Allan**, and Vice Chief of Communications **Chris Geissler**.

The Amangi Nacha Lodge had four dancers compete in the open competition for American Indian Dancing,

taking third place was **Donald McCausley**. The Kendwit Ihum Chapter representatives handed a defeat in an exhibition volleyball match to Esselen Lodge who would later become volleyball.

Aside from being the most spirited, we can also be the best trained and best led lodge, fresh from the W3B conclave if **you come to the 2005 W3A Conclave on April 24-26, 2005.**

Yours in Brotherhood,

Chris Geissler

Lodge Advisers Corner, Continued

(Continued from page 4)

In August we have our own Lodge Fall fellowship. The Fellowship this year will be held at Camp Pollock. The Date for this SUPER event is August 27 through 29. Events at the fellowship are made just for the youth; Movies, crafts, Indian dancing, ceremony classes and competitions. The Fellowship is also where, YOU the YOUTH, Arrowmen elect your New Chief and Vice Chiefs for next year.

To end the year, the lodge holds a training day open to ALL members. We call the training Takachsin. Here you can learn all about the Order of the Arrow and how to be a leader. Learn how to run meetings with style and confidence. Understand how our Lodge and council operate our camps and properties.

At the end of the day, we have our Lodge dinner. This is a four star affair with our Supreme Chief of the Fire: (Jim Martin) YOUR Lodge officers and all our members. I WISH YOU:

Great FOOD! GOOD FRIENDS!

I will leave you with this thought. "Never wait to lend a hand or hesitate to help someone. You my never have a second chance." Have a great summer.

In Cheerful Service,

Mike Gaffney
Lodge Adviser

Western Region, Area 3, Section B Conclave (W3B)

The W3B is made up of six lodges including: Amangi Nacha, Toloma, Orca, Tah-Heetch, Yowlumne and Tannu. Each lodge has the same geographical boundaries as the council they support. Amangi Nacha supports the Golden Empire Council and is shown on the map below along with the other lodges.

Each year the section puts on a Conclave. A weekend of fun and fellowship. It is hosted by one of the six lodges which rotates each year. The host or service lodge, along with the section Council of Chiefs (COC) plan and organize the event. The Section COC is made up of the lodge chiefs from each of the mem-

ber lodges and the section officers, all of whom are youth members.

The conclave is all about fun, fellowship and training. Friday evening is typically an informal period with registration, movies, board games and a crackerbarrel. With participants traveling a large distance, coming from a large portion of California and Nevada, a constant flow of Arrowmen arrive into the late evening.

The following morning starts with breakfast and moves on to training. Developing leadership is a very important part of the Order and training in topics such as leadership, ceremony and dance teams are an

essential part of the morning program.

After lunch, it is all about fellowship through a friendly lodge competition. Lodges compete in sporting events, Indian Dance and Ceremonies and even OA Jeopardy. It is a very fun and exciting weekend and every lodge wants to walk away from the conclave with the highly coveted Bald Eagle Trophy.

The W3B Conclave is a great time for all Arrowmen, new and seasoned members alike. Register now online at "<http://www.sectionw3b.org/Conclave/registration.cfm>"
