Welcome to Camp Lassen!

Dear Scouts and Scouters:

We are pleased that you have selected to participate in the camping destination, and we can’t wait for you to experience our Northern California Adventure!

Thank you for selecting Camp Lassen for your summer camp adventure. The Cub Resident Camp program committee meets several months in advance to start the planning of camp each year is theme based and program for your Cubs that provides fun, exciting, and enriching activities.

We will again be featuring the Healthy Living Initiative. Healthier snacks in the trading post, step competitions (based on percentages to give each unit a chance to win no matter how large or small), and improvements to our dining hall services to help make your experience even better!

The theme this summer is EXPLORE! Your scouts will journey back to a simpler yet harsher time when people lived off the land. In the 1700’s and 1800’s Explorers set out to discover and settle new lands, find trade routes, seek treasure and claim new lands. Our staff is looking forward to having fun with your youth while portraying characters that lived during this exciting time. Meet such Explorers as Daniel Boone, Kit Carson, Lewis & Clark, Sacagawea, Calamity Jane, Sarah Winnemucca and many more while exploring all that Camp Lassen has to offer.

Hopefully this Leader’s guide will help you to prepare for your great adventure at Camp Lassen. We look forward to hosting your unit this summer! Please send us some of your amazing pictures at socialmedia@gec-bsa.org while you are here to see them highlighted on our social media pages. We look forward to hosting your pack and families and want to make this the best summer yet at Camp Lassen!

Welcome!
Yours in Scouting,
Laura Lovell

Our Philosophy

We strive to create the Scouting experience of the year for every scout who attends camp. Leadership, personal growth & development, and duty & responsibility are the key ideals in Scouting and are the basis for everything we do.

Our Mission

Provide a week-long, life changing opportunity for every Scout. Above all else, we will:

Ensure that every Scout has a chance for a life changing experience.

Help build memories with friends, leaders, and family that will last a lifetime.

Teach fundamental skills to each Scout and develop leadership, citizenship, personal well-being, and self-confidence. Create a camp program that is exciting, innovative, and meaningful.
THE SUMMER CAMP EXPERIENCE

There is something that appeals to young people about packing up their gear and going camping for a Cub Adventure Camp! Several nights and days in the woods to experience the mountains, the lakes, and the rivers; it is an adventure! And, an adventure that no pack can duplicate on their own. Time at camp builds memories that will never be forgotten. We look forward to another amazing camp season with you this summer!

An Accredited Camp
Camp Lassen is accredited each summer by the National Camp Accreditation Program through the Boy Scouts of America. This means that the camp has met strict guidelines in health, safety, and programming. We are prepared for emergencies and understand that Scouts and Scouters are in our care.

The Staff
Our staff hiring and training is a 10-month process, starting the day camp closes the previous year. We hire the best candidates for each position and complete a week-long training program before we see any Scouts! We are dedicated, we are enthusiastic, and we are here to serve. The staff at Lassen is top notch and what sets us apart! You will find none better throughout the BSA.

Food
Our meals are planned and prepared by professionals. You will enjoy well-balanced meals and we always offer additional food to what is served. You’ll enjoy salad bars, cereal, soup, baked potato bars and seconds! Please make sure you let us know if you have campers with special food needs or requests. We will be offering our granola and yogurt breakfast options again this year to help everyone get the fuel they need for a full day of camp.

Prepare and Bring to Camp
To make the experience more fun, we suggest you bring the following to camp. This will help your Scouts with their buy-in leading up to the event and get them excited to go. Excited Scouts are what we want!

- A skit or song with outfits and props related to the camp theme for your performance at the closing campfire.
- Plenty of spirit and special props for your group and campsite.
- Unit flag representing the theme to display in your campsite and to take with you throughout the day. This flag will be your unit's totem while in camp, so make it a unique, boy-made representation. The unit must provide its own flag standard: This consists of a pole with a perpendicular cross bar for spreading the flag. There will be a unit flag competition with awards.

Preparing Your Unit for Camp
Cub and Webelos Scouts wishing to participate in shooting sports activities must bring a completed “Firearm Authorization Form - Consent for Minor to Use B.B. Guns/Archery Equipment” signed by a parent/guardian. Webelos who attend camp with their leaders and not their parents (2 deep leadership required) may become homesick. Encourage your parents to send them to camp with positive words. Saying to a young scout how you will miss them can sometimes have the reverse effect. Also please remember that calling home only tends to make these things worse. Keep your
homesick Scout busy and it will typically pass. Thank you for taking the time to help these young Scouts transition from being in a Pack to almost being a member of a Troop.

Campsite Requests
It is our desire to place your unit where you would like to be during your stay at Camp Lassen. Please make sure you have requested your top three choices on your reservation form so we can use that information to help place your group when you arrive at camp. Sometimes we simply cannot give everyone their desired campsite, but we will do our best to notify you the week before camp with your campsite assignment so your unit is prepared. Knowing your desire for a cabin or tent space helps us to give everyone what they desire. Thank you for taking the time to help make your experience better at Camp Lassen.

Camp Lassen Program

While at camp, your Scouts will experience our top-notch program lead by trained summer staff. Your Scouts can choose from a variety of courses and waterfront activities to customize their week of fun!

Action-packed activities include campcraft, nature, handicraft, boating, swimming, fitness, archery, BB gun shooting, campfires, and stargazing. The camp offers recreational activities for our adults as well, so be prepared to sign up for those as early as possible to reserve your space. Activities may include shooting, COPE, ATV rides, etc.

The Cub Resident Program is divided into 8 to 10 rotational sessions. Units will be assigned to a color group. Your color group will experience different activities as it moves from one program to another.

<table>

<td></td>
</tr>
</tbody>
</table>

Bears and Webelos will have the opportunity to earn their Whittlin’ Chip. There are also campfires, camp wide events for the entire group, and nighttime stargazing. One night you can check out everything you need for a dessert (cobbler) cooked over a campfire in your campsite or in the lodge (fire danger will play into this event – if campfires are banned, we will serve the cobbler in the lodge so your Unit still has the opportunity to partake in this fun evening).

Fishing – Bring your own pole and bait. There is a limit of 2 fish per week per Scout and for adults it is catch and release. You may cook your fish at camp or take it home to enjoy.

The Daily Program Schedule will be distributed at check in at camp. For now, here is a sample of what the program might look like:
### Camp Lassen Cub Resident Camp Session Schedule

### Awards and Camp Specialties

**Clean Campsite Award** – A Scout is Clean and Camp Lassen would like to recognize the units with the cleanest, most organized, and most efficient campsite during their stay. Daily inspections are carried out and points are given for personal gear, unit gear, and overall appearance. A handsome ribbon is presented at the end of the week. (A copy of the campsite inspection sheet will be provided when you arrive at camp).
Unit Theme Banner Award – The camp inspection team will closely inspect each unit’s “Pack Banner”. The unit with the best banners will receive the Unit Banner Award at the end of the session. Banners will be judged on incorporation of camp theme, workmanship, boy involvement, and graphics.

Camp Lassen Annual Camp Patch – The camp patch will be awarded to each camper and adult upon successfully completing checkout.

Unit Plaque – Each Unit is encouraged to make a unit plaque. When camp is over, the plaque is presented to camp and then hung on the dining hall wall. **Please make your unit plaque no larger than 12 inches by 14 inches, as the lodge is rapidly running out of space.**

Unit Leader Activities

Cubmasters’ Lounge – Stop by anytime for hot coffee or chocolate. You’ll have a chance to relax, read papers, visit with other leaders, and catch up on paperwork. The Cubmasters’ Lounge is located in the front portion of the lodge.

Unit Leaders’ Meeting – In order to help your unit have the best possible experience at camp, we need to communicate with leaders often. At each meal, we may call a special leader meeting right there at the flag pole. We’ll make some brief announcements regarding programs and schedules at these times.

Adult Leader Training and Events – When you arrive at camp, leaders will be provided options to participate in training and recreational activities. These may include Project COPE, Shotgun Shooting, Rifle Shooting, Dutch Oven Cooking, Leave No Trace, Youth Protection Training, etc. Some leaders will want to participate in these activities, while others will need to remain with their Units for programs. Before attending these activities, be sure to work with your unit leadership to make sure that your unit and color group always has the correct number of adults required for supervision.

Arrival and Departure

Your first day arrival time can be as early as 12:30 pm, but check-in does not start until 1:00 pm. Drive slowly as you turn onto Scout Road. Excessive speed creates a lot of noise and dust that our neighbors could do without. Everyone in your unit should have a sack lunch (camp does not provide the lunch on your arrival day). Early arrivals may proceed to their campsite or picnic area to eat their sack lunch. Camp starts at 1:00 pm.

The Unit Leader checks in at the Lodge with the following items:

- 5 Copies of the Unit All in One Form
- Signed Shooting sports/archery permission forms (one for each scout)
- Fees for additional scouts and/or leaders
- For out of council units, a copy of secondary Accident Insurance Policy
- A staff member will show you to your campsite, so that you can move your equipment into your site and change into swimsuits
- The unit leadership checks in at the lodge and the medical check in will occur there as well. A quick review of the forms will occur. If you have special things we need to know, please bring them to our attention at this time
- Leaders will be given a time to be at the waterfront for swim checks
- Staff will tour the unit through important areas of camp
- Back at the campsite, unit leaders will review safety procedures with the unit

At least 1 adult from the unit must attend the leader meeting in the Cubmaster’s Lounge (time will be noted on final schedule provided at check-in.

REMEMBER TO BRING – Theme banner, extra tents, camp chairs, air mattresses or foam pads

---

The History of Camp Lassen

Located 45 minutes east of Chico off Highway 32 near the community of Butte Meadows, at an elevation of 4,200 feet, Camp Lassen was started in 1933 by the Mt. Lassen Area Council. The site had been the location of two early lumber mills before the Blue Diamond Match Company acquired it in 1907. It was the origin point for Butte Flume and Lumber Company’s V-flume, which followed Big Chico Canyon for 33 miles to Chico. Millions of board feet of rough lumber were shipped to Chico from mills along this route from 1872 to 1874.

Many older Scouts and leaders established a temporary camp at the Chico Meadows site. They laid 4,100 feet of water pipe from the creek to the water tank, cleared 10 of the 90 acres to eliminate fire hazards, and eventually installed a 145 foot flagpole – the largest one-piece flag pole in the West. During the construction of the camp, Metro Goldwyn Mayer filmed special scenes for "Stand up and Fight", a movie about the early days of railroading and its survival in the Cumberland Mountains of Maryland. During the first full camping season, the summer of 1935, the hospital, blockhouse, tent platforms, toilet and shower units, and the first dirt-filled dam was developed. In 1965, Camp Lassen was made part of Bristow Hood Scout Reservation. In 1993, the Camp Lassen Committee and the Jonesville-Butte Meadows Historical Society joined to celebrate the 60th anniversary of Camp Lassen, hosting a reunion that included all groups that ever attended the camp.
In addition to Boy Scouts, attending were Girl Scouts, Campfire Boys and Girls, church organizations, groups from the California State University, Chico and the Butte County Sheriff's Posse.

One of the first permanent buildings, Lassen Lodge, built in 1935-1936, still serves as the location of the dining hall, offering cafeteria style dining. Because it had been determined that the camp would be a year-round camp for boys and girls, Lassen features cabins and Adirondacks (roofed, three-sided wooden shelters) in addition to the traditional wall tents. A newer dam across Big Chico Creek creates the waterfront area used for aquatic activities.

The traditional camping experience is available to all Scouts with some added special features. The horsemanship merit badge and overnight horse treks are available as part of the summer camp program. Camp Lassen is one of the few camps to offer a comprehensive mountain bike program for Scouts, biking on camp roads or taking overnight bike treks through the scenic Lassen wilderness. Boy Scouts can take advantage of one of the best C.O.P.E. courses available anywhere. The camp's climbing wall offers Boy Scouts an opportunity to learn skills in climbing and rappelling. The Climbing merit badge is offered to Scouts through our climbing program or Scouts can climb for fun. A High Adventure opportunity can be experienced through the Lassen to Lassen backpacking trek, a hike of over 50 miles.

### 2020 Summer Camp Fees

<table>
<thead>
<tr>
<th>Participant Type</th>
<th>Camp Fees</th>
</tr>
</thead>
<tbody>
<tr>
<td>Youth</td>
<td>$220.00</td>
</tr>
<tr>
<td>Adults</td>
<td>$220.00</td>
</tr>
</tbody>
</table>

**Camp Fees:** The camp fee includes campsite and beds with mattresses, toilet and shower facilities, eight meals, program supplies and activities (excluding handicraft kits and adventure fees), and the Lassen Adventures.

**Payment Schedule**

The following payment schedule is required for all packs:

- $250 Reservation Fee per unit required when reservation is made
- $50 per camper due by January 16, 2020
- All remaining fees are due by March 1, 2020

In order to maintain your reservation, you must make your January 16th payment. For all deadlines a $5.00 per Scout late fee must be paid after the due date.
Reservation Information

Visit [www.gec-bsa.org](http://www.gec-bsa.org) or call 916-333-5434 to make a reservation.

Campsites are requested on a first-come, first-served basis and are considered a “pencil-assignment.” The reservation fee is required to receive this tentative campsite assignment. We receive many campsite requests that are beyond our capacity, so campsite assignments are not guaranteed. It is important to register early and keep us informed of any changes so that we can plan accordingly. **Please follow-up any changes to campsite or significant attendance changes with a call or email to the Camping Department.** Final campsite assignments will be made the week prior to your arrival, however, units paid in full first will receive priority in final assignments. Changes in a unit’s actual attendance may cause the unit to be moved to another available site and/or share the site with another unit.

**Cancellation Policy**

- 45 days or more before start of camp - 100% refund
- 30 - 44 days before start of camp – 75% refund
- 15 – 29 days before start of camp – 50% refund
- 1 – 14 days before start of camp – 25% refund
- 0 days or beyond the start of camp – 0% refund

**Refunds**

Any overpayment of camp fees will be documented at check-in. A check for the overpayment will be mailed from the council service center. We are not permitted to issue refunds from camp.

**Provisional Scouts** - Unfortunately, due to Boy Scouts of America registrations, we cannot accept provisional scouts for the Cub Scout programs. We can, however, help with your needs by discussing the appropriate options within your own unit. The rules state that Webelos can attend camp with 2 deep leadership (in a 1 to 5 ratio for adult/scouts). Other Cub Scouts may attend camp with someone other than their parent if that adult is willing to accept responsibility for that camper. However, proper tenting must be established (following YPT rules) and an adult may be responsible for no more than 1 Cub Scout that is not a family member.

**Registration and Insurance** - In accordance with national policy, every Scout and Leader who attends summer camp must be registered with the Boy Scouts of America. Units must provide proof that they have unit and/or council accident/sickness insurance coverage. *Accident/Sickness insurance is not provided by the Camp Lassen nor Golden Empire Council to units not registered in the Golden Empire Council.*

**Visitors to Camp** - Visitors are welcome at any time. However, Tuesdays/Fridays are the best day to visit. Guest meals are available for $6 per meal. Tickets may be purchased at the trading post. No pets are allowed in camp except service animals.

**Campership** - A Scout is Thrifty and as such is encouraged to do all they can to help pay their way to camp. At times, however, it is difficult for a Scout and their family to raise the full fee for summer camp. Limited financial help is available from the Golden Empire Council on an individual basis for
Scouts who could not otherwise go to camp due to financial hardships. Scoutmasters in the Golden Empire Council who know of any youth with a legitimate need for financial help are encouraged to help that Scout apply for a Campership. The Campership Application is available at any Council Service Center or on the council website www.gec-bsa.org/camping/campforms. **Camperships are available for youth members of the Golden Empire Council only.**

**PRE-CAMP ORIENTATION MEETING**

A pre-camp meeting will be held to provide unit leaders with the most current information about camp, including advancement and program schedules. The Cubmaster (or designated camp leader), other adult leaders and your Den Leaders are invited to attend. **YOUR UNIT MUST BE REPRESENTED.** Units traveling a great distance or who are unable to attend MUST contact the Camp Director (see page 2 for contact info) to obtain critical information distributed at this meeting.

**DATE, TIME & LOCATION:** Saturday, May 2nd; **Time and Location TBD**

**AGENDA:**
- Final information about the resident camp program will be distributed.
- Coordination of advancement and program sign ups.
- Identify those units that will arrive early or late.
- Review policy and concerns regarding transportation, medical forms, permission slips, or fees.
- Questions and answers.
- No unit will be allowed to stay at camp if fees are not paid in full by June 1.

**Tents** - Units will be in campsites with assigned tents. **If you bring your own tents, each tent must be labeled with “No Flame in Tent” signage.**

**Liquid Fuel Lanterns and Stoves** – Liquid fuel lanterns and stoves are **PROHIBITED** in Camp. Propane lanterns and stoves are permitted. BSA policy requires stoves and lanterns should be **under close adult supervision at all times.**
TIMELINE FOR PLANNING CAMP

By December 1st:
1. Inform all Scouts and their parent of your camp dates.
2. Provide promotional information at unit meeting (i.e. video, presentation, etc.)
3. Recruit adult leaders for camp. Review leadership requirements in this guide.
4. Schedule Youth Protection & Hazardous Weather training for all adults attending camp.
5. Note camp fee payment deadlines.
6. Assemble individual Scout/Adult packets from forms section and distribute to each Camper. Parents update medical form/schedule physical exam as needed.

By March 30th:
1. Review program guide for camp.
2. Begin working on any additional program items for camp (i.e. skits, flag, songs, etc.).
3. Verify final payment made with Council.

By April 1st:
1. Plan for the adult leaders attending camp to attend pre-camp meeting.
2. Inspect unit equipment and program items for camp.
3. Coordinate transportation to and from camp.

One Month before Camp:
1. Collect signed permission slips for travel to and from camp.
2. Collect medical forms for each Scout/Adult as required. It is recommended that copies be taken to camp; parents should keep the originals for future use.
3. Fill out the online form for Dietary Restrictions and needs.
4. Complete camp-specific program forms as required.

One Week before Camp:
1. Final check on transportation.
2. Prepare 3 copies of your camp and YPT Rosters (one for the Director, one for the Medical Staff, and one for the Unit).
3. Inspect individual and Pack Gear.
4. Remind campers to bring a sack lunch or money for lunch to and from camp
5. Review items on Unit Leader Departure Day Checklist.

Camp Facility Information
This is your summer camp. It belongs to you. It is a temporary home to Scouts and Scouters. Your cooperation is needed to keep it neat. A Scout is Clean.

Camp Cleanliness
Take anti-bacterial soap for washing hands and encourage air-drying of all Scouts’ hands and utensils in the campsite before, during, and after food handling. 99% of camp sickness comes from unclean hands and improper food handling, preparation, and clean up.

**Rest**
Sleep can dictate whether or not your troop will have a great experience or a poor experience at camp. Each person needs a certain number of hours each night to rest. Therefore, adult leaders should see that from 10:00 p.m. until 6:00 a.m., the campsite is quiet, permitting those who wish to sleep the chance to get in eight hours of rest. Unit leaders are required to stay with their Scouts after 10:00 p.m.

**Personal Gear**
Please use the Boy Scout Handbook as a guide for personal gear to bring to Camp Lassen. Pack your gear like a backpacking trip.

**What’s Provided at Your Campsite?**
- A Bulletin Board
- Wash Basin and Drinking Fountain
- Shovel, rake, two 2-1/2 gallon buckets, and a garden hose
- Dutch ovens are available from the Commissary (fire ban permitting)
- Latrine facilities are located throughout camp. There is one nearby for each campsite
- Warm showers are available at a central camp facility.
- Platform tents set up to accommodate your unit (or a conversation will happen with your unit and the camping department concerning your Unit's needs)

**Equipment Your Unit Should Bring**

<table>

</tbody>
</table>

**DINING OPERATIONS**

**Meals and Special Diets** - Meals are well-balanced and prepared in accordance with a nutritionist-planned menu. Parents/guardians of Scouts who have dietary restrictions must fill out information on those needs via our website for Camp Lassen at least one week prior to arrival at camp to coordinate special dietary needs.

**Cookouts and Special Food Requests** - The camp commissary provides food, Dutch ovens, and utensils for units needing food for overnighters or ingredients for those special Dutch oven desserts. Special requests are made to the kitchen manager. Special food may also be brought to camp and must be stored in the camp kitchen.
**Check-out Morning Breakfast** - Check out morning breakfast will be a continental breakfast served outside in the outdoor dining area. It will include muffins, milk, granola and yogurt.

**Seconds and Extra Food** - A salad bar will be available every day at both lunch and dinner. When available, seconds will be offered to all campers. At all meals, regardless of the availability of seconds, peanut butter and jelly sandwiches, and other items such as fruit, soup, etc. are available for any hungry campers. Soup and baked potatoes are offered nightly to supplement meals as well so no camper goes away hungry!

**The Trading Post** - The camp trading post provides a full selection of handicraft supplies, merit badge books, camping necessities, souvenir items, camp t-shirts, writing paper, pencils, stationery, and comfort items. Natural foods (such as fruits and trail mixes), candy, soda, ice cream, and other snacks will also be sold. The trading post is open daily, with hours posted. About $50 per Scout should meet most needs during the week.

---

**Weather**

Expect the Unexpected! Weather is unpredictable throughout the summer months in the mountains; it may change quickly. Generally, the days are warm (80s-90s F) and the nights are cool (40s F). However, there may be unexpected lightning, thunderstorms, rain, hail, wind, and/or snow.  

*A Scout is Prepared!*

---

**Lost and Found**

Lost and found items will be turned in at the camp office. **Leaders should encourage Scouts to mark their belongings with name and troop number.** Lost and found items will be kept for one week after being collected, then donated to a local charity.

---

**Quartermaster**

Units may pick up latrine supplies and cleaning equipment as needed. Scout leaders may also pick up tools for special camp projects. The pack is responsible for the return of all items checked out in clean, working order, prior to departure from camp. Your camp commissioner will be able to supply the needed supplies to you upon request.

---

**Medical Forms**

Camp Lassen is located at an altitude approximately 4300 feet above sea level, which can add additional health-related problems not normally experienced at lower elevations. Therefore, Parts A, B are required and part C of the BSA medical form is heavily recommended for **ALL PERSONS**
attending Camp Lassen. **A photocopy of the medical form should be brought to camp;** the original form should be retained for future use by the unit.

**All Scouts and adults will have a medical review upon arrival in camp.** Serious injuries or illness requiring hospitalization will be transported to a local medical center where the camp has an advance agreement for treatment. Transportation to and from a medical center is the responsibility of the unit, unless emergency treatment is required.

**NO MEDICAL EXAMINATION = NO CAMP! NO EXCEPTIONS!**

**Youth Leaving Camp Property**
The Camp Director will require the unit leader to complete the Camper Early Release Form when emergency situations occur, such as death in the family or serious injuries. We would recommend that no youth leave camp early (before breakfast on the last day) if possible. If it is necessary for a camper to leave during the week, the attached Camper Early Release Form must be completed. Verification of authorized persons to remove campers in case of emergencies shall be by telephone with the youth’s parent or legal guardian. The Camper Early Release Form shall be kept as a part of the camp’s permanent file.

**Emergency Procedures**
This outline is designed to familiarize any camp visitor or employee with the plan on emergency procedures. This will cover possible situations, protective measures, and how situations will be handled. Some situations could include:

- Missing Persons
- Fire
- Epidemic or Mass Illness
- Serious Accident or Fatality
- Excessive Heat

In the event of an emergency, abide by the following procedures:

1. **When the siren is sounded with Intermittent Blasts** (not continuous), all Scouts and Adult Leaders should report immediately to their campsite. Camp Staff will report to the administration building. Staff members will then serve as runners and go to each campsite with the appropriate instructions. Scout leaders should take a head count and report any missing person to the staff runner. Instructions may require your Unit to stay in the campsite or assemble in another area of camp. Follow the instructions of your staff runner immediately.

2. **When the siren is sounded with One Continuous Blast**, it indicates that dangerous weather conditions are imminent and that everyone should take cover in a ditch or appropriate tornado shelter. The central bathhouses and the interior of the dining hall are the best shelters to use during hazardous weather.

3. **In the event of High Temperature**, everyone should drink plenty of fluids. Each person should drink as much as four (4) quarts of water a day. Even those in excellent physical condition should avoid strenuous exercise during these times.
4. In the event of Lightning, all outdoor activities will halt and all participants will move to the nearest shelter (not a tree). When the storm passes, Scouts will be advised by the area director as to their next step.

5. In the event of a Chemical Spill, the Fire Department and Sheriff’s Office will be notified.

Be Prepared

What to do in Case of Fire
Fire is an ever-present danger. Proper safeguards, under the direction of the U.S. Forest Service, have been established by the camp staff. The camp has obtained a camp wide fire permit; however, during dry periods, the U.S. Forest Service can impose a camp wide fire ban at any time.

In the case of fire, you will be notified by a central camp alarm system and the camp staff. Upon hearing the alarm, all should walk to Parade Grounds. If you are in your campsite at the initial alarm, bring your unit’s rake and shovel to the assembly area. The Scoutmaster or Adult in Charge reports to the Program Director when his unit is accounted for and all are present. Fire drills are held weekly in accordance with state law and Boy Scouts of America standards.

Fire Prevention
To prevent fire, follow these simple rules:

- Never remove your fire tools from your campsite.
- LIQUID FUEL STOVES AND LANTERNS ARE NOT PERMITTED IN CAMP. Propane or butane stoves and lanterns are highly encouraged.
- DO NOT LEAVE ANY FIRE UNATTENDED. Fires must be dead out and cold to the touch. Campfires in unit sites must be under adult supervision at all times.
- Scouts must not play with matches or lighters.
- To have a campfire off camp property requires possession of a U.S. Forest Service Campfire Permit. Obtain the permit at any Ranger Station or U.S. Forest Service Office prior to camp. See Campfire Permit section above for closest office.
- Smoking is not permitted in any camp building or activity area. The Camp Director will identify those limited areas where smoking is permitted.
- Flames from any source are not permitted in tents. The “all-clear” signal is the ringing of the camp bell and staff runners will also go to each campsite to inform your unit that the emergency has passed. Normal camp activities will then be resumed.

General Camp Rules

At Lassen, the foremost rules for personal and group behavior are the ideals found in Scouting. Scouts and Leaders should follow the Scout Oath, Scout Law, and Outdoor Code for all behaviors. Beyond these ideals, the following rules are enforced at the Camp Lassen:

- Fireworks are prohibited.
- Throwing rocks is forbidden.
- All cars must be parked in the camp parking lots and not brought into camp.
- Alcoholic beverages and illicit substances are prohibited.
- Use of tobacco products is forbidden.
- No fixed-blade sheath knives.
- No firearms or any kind of ammunition may be kept in the possession of any Scout or adult.
No pets or other animals should be brought to camp (registered service animals permitted).

- No aerosol cans in campsites.
- All white gas lanterns, propane lanterns, stoves, etc. are to be filled and stored only by adults. Fuel must be secured and locked away.
- Closed-toed shoes must be worn at all times. Sandals may only be worn at the waterfront and at the showers.
- All campers and visitors must sign-in/sign-out at the camp office.
- Two-deep leadership is required at all times for youth. BSA Youth Protection guidelines must be practiced; leaders and parents must be trained.
- No running on trails, hills, or stairways.
- Bicycles are not permitted (unless enrolled in high adventure mountain biking).
- No one may ride in the back of a truck or trailer; seat belts must be worn by anyone in a moving vehicle.
- Speed limit in camp is 9 mph. Pedestrians always have the right of way.
- No extension cords are allowed.
- No fires or open flames are allowed in tents, Adirondacks, cabins, or any other camp structure.
- Anyone leaving camp must sign-out at camp office.
- Campfires must be actively monitored by an adult leader over the age of 21.

**Damage to Camp Facilities**

All campsites and equipment will be inspected upon check-in and check-out. Any damages will be assessed and documented by the Camp Commissioner and a report given to the camp management. Damages may include lost equipment, defacing tents/buildings, or ecological damages. Please conduct a thorough check-in inspection with your Troop Guide. Sample charges for damage are as follows:

- Rips and Tears per inch: $25.00
- Tent Replacement – 2 man: $850.00
- Tent Replacement – 4 man: $1,120.00
- Tent Fly Replacement: $345.00
- Environmental Damage: $50.00 Minimum (damage to live trees, improper trash disposal, scarring of earth)

**Ammunition, Firearms, and Related Items**

Personal weapons and ammunition are not allowed at Camp Lassen. No hunting arrows, ammunition, or rocket engines may be brought on the property.

**What Scouts Should Bring**

- Scout Field Uniform – Including shirt, shorts, belt, socks, and t-shirts as worn in your Pack
- Prescription medications as appropriate
- Extra clothing – socks, underwear, shoes, etc.
- Rain Gear
- Sleeping bag or bedding
- Swim Suit
- Soap, comb, toothbrush, towel, and other personal items
- Money for Trading post items and snacks ($50 recommended)
- Other items like camera, compass, pack, flashlight, insect repellent, sunblock, water bottle
● Optional Sweater or Jacket (we may experience some cool evenings)
● Ride home money for lunch if appropriate
● Completed paperwork to include as appropriate:
  • Annual Health and Medical Form (COPIES ONLY PLEASE)
  • Trip/Activity Permission slip
  • Shooting Sports Permission Slip

Our average afternoon high temperatures are in the lower to mid-80s. Overnight lows usually range from the upper 40s to lower 60s.

Arrival Screenings
Upon arrival one adult leader will be required to complete a brief health screening with their unit. Individuals who are symptomatic will be quarantined.

Outbreak Procedure
In the event of an outbreak, participants with an illness will receive care in a quarantined environment. Others in their campsite will be immediately re-screened for fever/other symptoms.

Hospital or Doctor Visit
In the event that a Scout requires medical attention from a physician or hospital the following procedure will be followed:

1. It is the responsibility of the unit leadership to provide transportation for members of their unit requiring non-emergency attention. Staff is not available to assist with transportation.
2. At least one adult leader from the unit will accompany the Scout requiring medical services and must obtain the Scout’s medical form before leaving camp property. A minimum of 2 adults is required; you may be accompanied by adults from other units or off-duty staff.
3. Parents or guardians will be notified immediately by the Camp Director or unit leader of any serious illness or injury. Parents who will not be at home while Scouts is at camp must advise adult leaders of contact information in the case of emergency.
4. The Camp Medical Officer must clear all cases requiring outside medical care.
5. The troop is responsible for providing proof of insurance upon arrival at the doctor’s office or hospital, or pay cash for services provided.

First Aid & Prescription Medicines - First aid treatment for minor medical problems should be handled at the unit’s campsite or the camp Medical Lodge. Major problems will be treated in coordination with local hospitals. Per BSA policy, ALL PRESCRIPTIONS AND OVER THE COUNTER DRUGS MUST BE IN ORIGINAL CONTAINERS and be reviewed with the camp Health Officer during your medical re-check. The Health Officer or an authorized Unit Leader will administer medication.

It is the Unit Leader’s responsibility to ensure that their Scouts receive their medications at the appropriate time. All drugs should be presented in the ORIGINAL container. The Unit Leader must have a note from a parent/guardian stating the dosage and frequency of the medication. A copy of this note must be turned in with the medication(s) at medical re-check. Scouts should carry their personal Epi-pens and inhalers.
**Swim Tests**

All Scouts and Adults attending camp must take a BSA swim test. This test must be re-taken by all before attending camp.

**IMPORTANT INFORMATION!!** A Unit may hold their own swim check in accordance with BSA standards before coming to camp. Planning ahead and completing your Unit's swim tests before camp will expedite check-in, and allow more time for campsite set-up, making for a more relaxed Sunday/Wednesday afternoon!

Units that have already completed their swim tests before camp should present a copy of the results at check-in, which will be certified by the aquatics director. The aquatics staff reserves the right to re-test any person in their swimming ability while at camp.

Any Scouts or leaders that didn't do an early swim test may do so on Sunday/Wednesday. As soon as your unit guide leads you to your campsite, your Scouts should prepare to take the swim test. The aquatics staff will make all the buddy tags and the tags will be available for Scouts and Adults when they come down to the waterfront for classes and/or free swims.

All Scouts and leaders will be classified to their swimming ability on the following scale:

- **Non-Swimmer:** One who does not meet the “Beginner” swimmer requirements.
- **Beginner:** One who can jump into water over their head and swim a minimum of 50 feet using any stroke, with at least one sharp turn, but has not met the “Swimmer” requirements.
- **Swimmer:** One who can jump into water over their head, level off and swim 75 yards in a strong manner using the trudgen, crawl, sidestroke, or breast stroke (with proper breath control) and then swim 25 additional yards using the elementary backstroke, then float on his back with a minimum of movement.

**Pre-Camp Swim Test Procedures**

Swim classifications are to be renewed annually, preferably at the beginning of each outdoor season.

**Administration of Swim Test Options**

1. **Option A (at camp)**
   Aquatics program personnel administer the swim classification test at camp upon check-in. This can take several hours depending on the volume of individuals needing testing.

2. **Option B (at unit level with council-approved testing personnel)**
   The unit arranges swim classification tests locally using council-approved resource personnel with training as BSA Aquatics Instructor, BSA Cub Aquatics Supervisor, BSA Lifeguard, Red Cross Water Safety Instructor, Red Cross Lifeguard, or YMCA Lifeguard. When the unit attends summer camp, the Aquatics Director issues completed buddy tags after physical rechecks based on records provided by unit leadership.

When swim tests are conducted prior to camp, the camp aquatics director shall at all times reserve the authority to review or retest all participants to ensure that standards have been maintained.

**The Swimmer Test**
The swimmer test demonstrates the minimum level of swimming ability required for safe deep-water swimming. The various components of the test evaluate the several different skills essential to this minimum level of swimming ability. A precise statement of the test is as follows:

“Jump feet-first into water over the head in depth; swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, or crawl; then swim 25 yards using an easy, resting backstroke. The 100 yards must be completed in one swim and include at least one sharp turn. After completing the swim, rest by floating.”

The test administrator must objectively evaluate the individual performance of the test and in so doing should keep in mind the purpose of each test element:

1. "Jump feet first into water over the head in depth". The swimmer must be able to make an abrupt entry into deep water and begin swimming without any aids. Walking in from shallow water, easing in from the edge or down a ladder, pushing off from side or bottom, and gaining forward momentum by diving do not satisfy this requirement.

2. "Swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl". The swimmer must be able to cover distance with a strong, confident stroke. The 75 yards must not be the outer limit of the swimmer’s ability; completion of the distance should give evidence of sufficient stamina to avoid undue risks. Dog-paddling and strokes repeatedly interrupted and restarted are not sufficient; underwater swimming is not permitted. The itemized strokes are inclusive. Any strong side or breaststroke, or any strong over-arm stroke (including the back crawl) are acceptable.

3. "Swim 25 yards using an easy, resting backstroke". The swimmer must indicate ability to execute a restful, free-breathing backstroke that can be used to avoid exhaustion during swimming activity. This element of the test necessarily follows the more strenuous swimming activity to show that the swimmer is in fact able to use the backstroke as a relief from exertion. The change of stroke must be accomplished in deep water without any push off or other aid. Any variation of the elementary backstroke is acceptable. An over-arm back crawl may suffice, if it clearly provides opportunity for the swimmer to rest and catch their breath.

4. "The 100 yards must be completed in one swim and include at least one sharp turn". The total distance is to be covered without rest stops. The sharp turn demonstrates the swimmer's ability to reverse direction in deep water without assistance or push-off from side or bottom.

5. "After completing the swim, rest by floating." This critically important component of the test evaluates the swimmer's ability to maintain in the water indefinitely even though exhausted or otherwise unable to continue swimming. Treading water or swimming in place will further tire the swimmer and are therefore unacceptable. The duration of the float test is not significant, except that it must be long enough for the test administrator to determine that the swimmer is in fact resting and could likely continue to do so for a prolonged period. Drown proofing may be sufficient if clearly restful, but is not preferred. If the test is completed except for the floating requirement, the swimmer may be retested on the floating only (after instruction) provided that the test administrator is confident that the swimmer can initiate the float when exhausted.
**The Beginner Test**

A precise statement of the beginner test is as follows:

"Jump feet first into water over the head in depth, level off, and swim 25 feet on the surface, stop, turn sharply, resume swimming, then return to starting place." The entry and turn serve the same purpose as in the swimmer test. The swimming can be done with any stroke, but no underwater swimming is permitted. The stop assures that the swimmer can regain the stroke if it is interrupted. The test demonstrates that the beginning swimmer is ready to learn deep-water skills and has the minimum ability required for safe swimming in a confined area in which shallow water, sides, or other support are less than 25 feet from any point on the water.
FORMS REQUIRED AND CHECK IN PROCESS

There are a number of forms--for the group as well as for individuals--required for camp attendance but we have heard your requests and are trying to reduce the challenges between your Pack and a GREAT summer camp experience. Overall suggestions for successful forms management include:

Recruit a leader whose only role is to disperse, and track forms required for camp.

   Read and complete each form carefully.

   Ensure that authorized signatures are obtained as required.

The following forms are required for camp:

UNIT FORMS

All in one form now delivers all the information we need. This form will cover Youth Protections, Pack Roster Lists, Swimmer Classifications, Shooting Sports Permission slips, and check list for other forms on one form. Please complete this form and keep one for yourself in your campsite and turn in 4 additional copies at check in.

   One copy – Medical – be prepared with all medical forms (including copy of insurance cards) completed. Remember – Must be A & B completed (C is suggested)
   One copy – Waterfront – If you did a pre-swim check, be sure to attach the pre-check form below.
   One copy – Shooting Ranges – please place with your shooting sport release forms (below)
   One copy – Camp Director
   One Copy – for your records

INDIVIDUAL FORMS

Parent Authorization for Trip/Activity Medical Treatment. Provides leaders transporting Scouts to camp permission to treat them. This form should travel to camp in the same vehicle as the camper, not be held together by the tour leader. It is the one form in this packet that should not be handed in at camp. The unit leader should collect them on arrival and hold them for departure. This for is for your Unit and not our camp.

The speed of your unit’s check in will be greatly improved if all forms are grouped by type of form, in alphabetical order – NOT by camper.

Please try to list your roster information in alphabetical order as well. This helps to speed up our double check of the forms submitted.

All forms have been added to our website and are now fillable. We hope this will help save time and effort required to get your unit ready for camp.

Parental or Legal Guardian Permission and Release Form for a Minor
to Use Firearms, Ammunition, BB Devices, & Archery Equipment

Child's Name ___________________________ Unit Type & Unit # _____________________

Address ________________________________________________________________

City ___________________________ Zip Code __________ Phone ( ) ________

Parent’s/Guardian’s Name ________________________________________________

Parent’s Phone Number  Home ( ) __________ Cell ( ) ________________

I, the undersigned parent or legal guardian of ________________________________,

CHILD'S NAME

a minor, do hereby give my child express permission and consent to be furnished and be in possession of a firearm(s) and
ammunition provided by the BSA Golden Empire Council or by staff or members of the BSA Golden Empire Council, for the
purpose of allowing my child to engage in lawful, recreational sport, including participation in instruction in the safe handling
and shooting of firearms, target shooting, or in related firearms activities conducted under the supervision of the BSA Golden
Empire Council Shooting Sports Director or under the supervision of NRA-certified Instructors and range staff retained by the
BSA Golden Empire Council for purposes of providing such a program to my child and other BSA scouts. (Cal. Penal Code
§§ 27945, 29615, 29650, & 29655; and 18 U.S.C. § 922(x)).

I understand that for the purposes of this consent, “firearms” includes any handguns, or long guns that may lawfully be
possessed by a minor under state and federal law, based on the age appropriate programs in the BSA Shooting Sports Manual,
Guide to Safe Scouting and Sweet 16 publications. I also give my child express permission and consent, pursuant to California
Penal Code section 19915, to possess a "BB device" as defined in California Penal Code section 16250, based on the age

I also give my child express permission and consent to be furnished BSA approved archery equipment, slingshots, and ammo,
based on the age appropriate programs in the BSA Shooting Sports Manual, Guide to Safe Scouting and Sweet 16 publications.

This form must be signed for all minor scouts, even if their parent or legal guardian is on the range with the scout.

This consent will remain in effect for my child, during the dates of this event from _______ to _______. I understand that I may revoke this consent at any time by notifying the Golden Empire Council in
writing. This consent will only apply to firearms, ammunition, BB devices, archery equipment and sling shots furnished to
or possessed by my child during any BSA Golden Empire Council event where a firearm, ammunition, sling shot or archery
equipment and BB device is used as part of a program provided by BSA scouts, and will not be valid for any other firearms
related activity conducted during any time-period this consent is otherwise valid. A photocopy or facsimile of this written
consent will serve as an original. This written consent form will be in the possession at-all-times of the Golden Empire
Council staff/instructors for safekeeping.

Imagine your entire unit wearing a camp t-shirt from Camp Lassen Cub Resident Camp, *customized with your unit number . . .

- The Scouts look sharp
- It builds group spirit
- Keeps the field uniform clean
- You get a quality garment that takes a beating

But hurry! Order deadline is: 6/1/2020

Even better, order at least eight garments and we’ll add your unit number to the left sleeve.
