

# Winton Water/Shooting Weekends

New for 2020, we will be having weekends at Camp Winton that include our amazing waterfront activities and shooting sports. Every weekend from August 14 – September 20s, starting Friday mornings through Sunday mornings, we are offering units the opportunity to sign up for 2 full days of Camp Winton fun and adventure. We plan to have all water areas and shooting sports area open to meet the outdoor needs of our Troops.

Registration will work on a Troop basis and will be limited to 100 people per weekend. We will need to continue to work within the regulations set out by the State of California and Amador County to maintain the highest health and safety standards. This will no doubt include campsite groups moving from activity to activity together but we will make sure to have lots of activities ready to handle those needs. We want our units to register as Troops/Crews together but the lower numbers will allow for plenty of activity time for each campsite group.

You will need to individually tent and we will make accommodations to have a trailer bringing in gear from the parking lot. As you will be cooking in your own campsite, this will allow you to easily transport in your food, cooking gear, and camping supplies.

Your \$85 registration fee includes:

- 2 nights of camping at Camp Winton
- Full range operations (archery, shotgun, and rifle)
- Kayaks, canoes, paddle boards available
- Motorboats available (with staff drivers)
- Lifeguards to keep everyone safe
- Transportation of gear in and out from main parking lot
