Cub Scouts, Come Experience Camp Lassen!

Golden Empire Council invites you to "Picture the Past" at Cub Resident Camp 2024. Scouts and Scouters should come to camp with their trunks fully loaded with a flag, songs, skits, outfits, and decorations to "Bring the Past to Life". You will encounter a camp staff with their own special skills, portraying their own favorite sector of history, ready to welcome you. This year is Camp Lassen's 90th birthday, complete with a birthday bash each session! Vintage Scouting or other apparel can underscore this theme.

Cub Resident Camp is a 4 day, 3 night experience, with program divided into 12 sessions, rotating between campcraft, nature, handicraft, aquatics, fitness, archery, BB gun shooting, climbing, and free time. We are reviewing the new Cub program to make sure our offerings helps Scouts achieve electives in program areas, and some STEM activities.

There are also campfires, camp wide events for the entire group, and nighttime stargazing (weather permitting). One night you can check out everything you need for a cobbler or S'mores, cooked over a campfire in your campsite. Your pack's specific schedule will be distributed when you check in at camp.

Your stay will include 8 meals, prepared by a professional food service company, each one well-balanced, with extra features—like salad bars—and seconds! If you have campers with special food needs or requirements, there will be a section in the registration to provide dietary needs. On check-out morning, a continental breakfast will be served in the outdoor dining area.

The kids don't have all the fun—there are a variety of adult activities, training, and games—to pass the time too.

This Leader's guide will help you to prepare for your great adventure. We look forward to hosting your pack and families and want to make this the best summer yet, at Camp Lassen!

THE SUMMER CAMP EXPERIENCE

There is something appealing to youth about packing up their gear and going camping in the woods to experience the mountains, the lakes, and the rivers; it is an adventure! An adventure that no pack can duplicate on their own. A session of camp builds memories that will never be forgotten. We look forward to another amazing camp season with you this summer!

AN ACCREDITED CAMP: Camp Lassen is accredited each summer by the National Camping Accreditation Program (NCAP). This means that the camp has met strict guidelines in health, safety, and programming.

We are prepared for emergencies and understand that Scouts, Scouters, and Parents are in our care. We take pride in making sure we meet these standards in all areas of our camp.

CAMP PROGRAM: The program at camp is more than advancement. It is about building self-reliance, learning new skills, building friendship, and most of all having FUN! It includes flag ceremonies and campfires. It's the songs and the cheers. We believe that the program is everything you experience, from the time you step out of your car until you are headed back home. We believe we are prepared to deliver an incredible camp program.

THE STAFF: Our staff hiring and training is a 10-month process, starting on the day camp closes the previous year. We hire the best candidates for each position and complete a week-

long training program before we see any Scouts! We are dedicated, we are enthusiastic, and we are here to serve. The staff at Lassen is top notch and what sets us apart!

RESERVATIONS AND REGISTRATION: Camp Fees: The camp fee includes a campsite to accommodate your pack. Flush toilets, shower facilities, eight meals, all program supplies and activities are included. We have a variety of campsites in which your Pack can stay. Each site has 1 leader tent, some have Adirondacks, all have room for your own tents.

Visit WWW.GEC-BSA.org/camping and follow the instructions to make a reservation in your chosen session.

CANCELLATION POLICY: Golden Empire Council has instituted a new refund policy to ensure that we can provide the best quality program at camp. A great deal of advanced planning and purchasing takes place for camp programs and activities.

- * 30 days or more before start of camp (Friday, June 14th 2024) = 100% refund, up to the \$500 nonrefundable deposit
- * 29 days or less before the start of camp (Saturday June 15th 2024) = 0% refund **

In order to maintain the most cost effective and positive program, all refunds will be applied to the Pack registration, up to the \$500 nonrefundable reservation fee. No refunds will be issued for cancellations within 30 days from the start of camp. Refunds are not given for No-Shows, schedule conflicts, weather conditions, or behavior issues occurring before or during the camp. Refunds are considered based upon the following criteria and timeline and are returned to the person or entity in the manner they were received. Any overpayment of camp fees will be documented at check-in. A check for the overpayment will be mailed from the council service center. We are not permitted to issue refunds from camp.

** Participants who cancel from an event within 30 days of expected arrival will be considered for up to a 60% refund if the refund request is accompanied by a verified Doctor's note stating the patient was not able to attend camp during their registered dates. Refund requests under these circumstances will not be considered if not received at the Council Service Center more than 14 days after the start of the event. If you need further clarification, please call the Camping Desk at 916-333-5434

CAMPSITE SELECTION: Campsites are requested on a first-come, first-served basis and are considered a "pencil-assignment." We receive many campsite requests so campsite assignments are not guaranteed. It is important to register early and keep your registration accurate so that we can plan accordingly. Final campsite assignments will be made the week prior to your

arrival. Sometimes there is a need to share campsites, depending on the size of a Pack. Packs will be informed when notified of their campsite if they are sharing and to please keep that in mind if you arrive before the other Pack.

Changes in a unit's actual attendance may cause the Pack to be moved to another available site and/or share the site with another Pack.

LEADERSHIP: Adult/Youth ratios – Packs are required to follow Leadership guidelines. All adults need to complete BSA Youth Protection Training. Webelos can attend camp with 2 deep registered leadership (in a 1 to 5 adult/Scout ratio). Wolf and Bear Scouts may attend camp with someone other than their parent if that adult is willing to accept responsibility for that camper. Each adult may only accept responsibility for no more than 1 Cub Scout that is not a family member. Tiger Cubs must attend with one parent/guardian each. Proper tenting must follow YPT guidelines—youth sharing tents must be no more than two years apart in age. In Cub Scouting, parents and guardians may share a tent with their family.

FINANCIAL ASSISTANCE: A Scout is Thrifty and as such is encouraged to do all they can to help pay their way to camp. Popcorn or camp card sales are the best way to make money for camp or to attend camp for free. At times, however, it is difficult for a Scout and their family to raise the full fee for summer camp. Limited financial help is available from the Golden Empire Council on an individual basis for Scouts who could not otherwise go to camp due to financial hardships. Cubmasters in the Golden Empire Council who know of any youth with a legitimate need for financial help are encouraged to help that Scout apply for a Campership. The Campership Application is available at any Council Service Center or on the council website: [GEC-Campership-Application.pdf](#) (squarespace.com) Camperships are available for youth members of the Golden Empire Council only.

FOOD: Our meals are planned and prepared by professionals. You will enjoy well-balanced meals and we always offer additional food to what is served. You'll enjoy salad bars, cereal, delicious entrees, and seconds! If you have special dietary needs please enter it in the registration at least 2 weeks prior to camp.

STANDARD AND HONOR PACK AWARDS: Packs do a lot at camp and deserve recognition for their hard work beyond their time at each station. A Pack should follow the Scout Oath and Law at

Camp, keep their campsite clean and help with projects and activities around camp. There will be a score sheet handed out during the Leader Meeting on arrival day at 4:30pm (Score sheets will also be previewed at the Pre-Camp Leader Meeting on April 14). Campsite inspections will be conducted by our Commissioner Staff M-T or Th-F for each session. Additional points will be awarded for a variety of elements and opportunities during the session at camp. The Standard Pack Award shows great participation and Scout Spirit in camp for the session. The Honor Pack Award is for Packs that are able to go above and beyond.

BEAD RECOGNITION PROGRAM: Cub Scouts will receive a recognition necklace during the check-in process. As the Cub Scouts travel from station to station in camp they will earn a bead to add to their necklace, keeping track of their accomplishments. When camp is over they can wear their necklaces to Pack events, or you can remove the zipper pull and add it to a jacket or backpack.

PREPARING FOR CAMP: A successful camp experience takes a lot of preparation and planning. Theme related items make the experience more fun and exciting.

We suggest you bring:

- * A historical theme-related skit or song with related outfits and props for your closing campfire performance, to help everyone “picture the past”.
- * Costumes, spirit and special props to “bring the past to life” for your group.
- * Unit flag representing the theme to display in your campsite and to take with you throughout the day. This flag will be your unit’s totem while in camp, so make it a unique, youth-made representation with its own flag holder. There will be a Pack flag competition with awards.

FORMS FOR CAMP: There are several forms required for camp attendance. We recommend that the Pack recruit an adult whose only role is to collect and process them:

- * Pack Roster and Check Off Form - provides a list of Scouts and Scouters/Parents attending camp, emergency contacts and check-off for each form.
- * Medical Forms A, B1 and B2 - BSA Annual Health and Medical Record parts A and B are required for every adult and youth attending camp (part C is not required for Cub Scout Camp). Camp Lassen is located at the 4,300 ft. altitude, which can add additional health-related problems not normally experienced at lower elevations. A photocopy of the medical form should be brought to camp; the original form should be retained for future use by the unit. The forms can be found online at www.scouting.org/health-and-safety/ahmr/
- * A copy of each adult’s Youth Protection Training Certificate
- * Target and Range Sports Permission form - required for all Scouts participating in shooting sports at camp.

COMMUNICATIONS: There is little to no cell phone reception at Camp Lassen. The wifi is available with limited guest access and priority is saved for official camp business. There is a land line for emergency calls.

Mail—Due to variability on delivery times and the short duration of camp, mailing letters or packages to the Cub at camp is discouraged. If you wish to send greetings from home, it is suggested that you give the letter or package to an adult leader from your pack coming to camp, who can then give it to your Scout during their stay.

Pushpins for your bulletin board	Pens/Pencils	Binder/Paper
Campfire skits, songs, and stunts	Ground cloths	Axe & bow saw
Extra Tents, marked "No Flames in Tents"	Camp chairs	

PREPARING YOUR YOUTH FOR CAMP: Cubs who attend camp with their leaders but not their parents may become homesick. Parents should send them to camp with positive words—reminding them of the exciting things they will do, and the friends they will make. Telling a young scout how you will miss them or what they will miss at home can sometimes have the reverse effect. Please remember that calling home only tends to make these things worse. Keeping the homesick Scout busy will typically cause it to pass. Thank you for taking the time to help these young Scouts transition from being in a Pack to almost being a member of a Troop.

Swim Tests

All Scouts and Adults attending camp and planning to do aquatics activities must take a BSA swim test each year. **We will not accept pre-camp swim checks this year.**

Swim Classifications: Scouts and adults are classified into non-swimmer, beginner, or swimmer ability levels.

☐ Non-Swimmer: One who does not meet the "Beginner" swimmer requirements.

- ▣ Beginner: One who can jump into water over their head and swim a minimum of 50 feet using any stroke, with at least one sharp turn, but has not met the "Swimmer" requirements.
- ▣ Swimmer: One who can jump into water over their head, level off and swim 75 yards in a strong manner using the trudgen, crawl, sidestroke, or breast stroke (with proper breath control) and then swim an 25 additional yards using the elementary backstroke, then float on their back with a minimum of movement.

Buddy Tags: The staff will make the buddy tags. Tags will be available for Scouts and Adults when they come down to the waterfront for swim checks or program. Buddy tags are color coded to represent the level of swimming ability for the Scout/adult.

PRE-CAMP ORIENTATION MEETING

Sunday, April 14, at 1:00 PM

Camp staff will hold a pre-camp meeting to provide unit leaders with the most current information about camp. The Cubmaster (or designated camp leader) and other adult leaders are invited to attend. **YOUR UNIT MUST BE REPRESENTED.** The meeting will be virtual, and the link will be sent out in early April.

AGENDA:

- Update information about the resident camp program.
- Discuss arrival procedures
- Review policy and concerns regarding transportation, medical forms, permission slips, or fees.
- Questions and answers.
- No unit will be allowed to stay in camp if fees are not paid in full.

ARRIVAL AND DEPARTURE: Your first day arrival time can be as early as 1:00 pm. Please arrive by 4 PM. Staff have earned the time off. Drive slowly as you turn onto Scout Road—excessive speed creates a lot of noise and dust. Everyone in your unit should eat before arrival (camp does not provide the lunch on arrival day).

Check-In:

One Leader checks in at the Lodge with 5 copies of the PACK ROSTER AND CHECK-OFF FORM. Supporting forms should be grouped by type (ie. All Health forms together, all Target and Range Sports forms together).

1. Copy #1 of roster together with the all of BSA Annual Health and Medical Record Parts A and B for each camper (arranged in alphabetical order).
2. Copy #2 of roster together with the Target and Range Sports Permission Slips
3. Copy #3 of roster for the Aquatics area
4. Copy #4 of roster for Camp Office attached to the YPT certificates for all adults.
5. Copy #5 of roster to post in campsite

The unit leader should also have:

- Fees for any unpaid balances

Your pack guide will:

- Show you to your campsite, so that you can move in your equipment and change into swimsuits.
- During the camp tour your Pack will complete Med checks, take the swim test and learn where things are around camp.
- Back at the campsite, a staff member will review safety procedures with the unit leaders.
- At least 1 adult from the unit must attend the leader meeting at 4:30 PM in the lodge main office.

Youth Leaving Camp Property

The Camp Director will require the unit leader to complete the Camper Early Release Form if it is necessary for a camper to leave early (before breakfast on the last day). A person authorized to remove a camper will be verified by telephone with the youth's parent or legal guardian and must provide identification before being allowed to leave.

Camp Visitors

All visitors must sign-in/sign-out at the camp office and receive an identifying wristband. Families are welcome to come to camp on their unit's last program day (Tuesday or Friday) to see their child perform in the evening campfire and help the pack with transportation home. Meals for visitors are available for \$10 each and must be ordered through the website or by emailing the camping department 2 weeks in advance.

HEALTH AND SAFETY

Buddy System—The buddy system is an important safety requirement at camp. Each youth should be assigned a buddy with whom they stay as they go around camp—program areas, mealtimes, to the bathroom/shower. If there is an uneven number of campers, leaders should assign a group of three youth.

Shoes—Closed toed shoes must be worn in camp, except for the waterfront and shower areas, where sandals are allowed.

First Aid & Prescription Medicines - First aid treatment for minor medical problems should be handled at the unit's campsite or the camp Medical Lodge. Major problems will be treated in coordination with local hospitals.

ALL PRESCRIPTION AND OVER THE COUNTER DRUGS MUST BE IN ORIGINAL CONTAINERS (per National BSA guidelines) and be reviewed with the Camp Medic during medical re-check. It is recommended to put all medications in a Ziploc type bag to bring to the medical re-check.

WE DO NOT RECOMMEND A MEDICATION VACATION AT CAMP!

It is the Unit Leader's responsibility to ensure that their Scouts receive their medications at the appropriate time. The unit leader should have a "prescription medication record" form (see forms at the end of this guide) filled out by the parent/guardian stating the dosage and frequency of the medication. A copy of this record must be turned in with the medication(s) at medical re-check.

Scouts and adults should carry their personal Epi-pens and inhalers with them at all times.

Vehicles—Camp speed limit is 10 mph. Pedestrians always have the right of way. Everyone in a moving vehicle must wear a seatbelt; no one may ride in the back of a truck or trailer. All vehicles must be parked in the camp parking lot, backed in for easy departure.

FIRE MANAGEMENT--Fire drills are held within the first 24 hours of arriving at camp, in accordance with state law and Boy Scouts of America standards.

Bring only propane or butane stoves and propane, butane, or battery lanterns.
LIQUID FUEL STOVES AND LANTERNS ARE NOT PERMITTED IN CAMP.

Only battery lanterns or flashlights are permitted in tents, cabins, and adirondaks; no flames from any source.

DO NOT LEAVE ANY FIRE UNATTENDED. Fires must be dead out and cold to the touch. Campfires and camp stoves in unit sites must be under adult supervision at all times. Scouts must not play with matches or lighters. Smoking is only permitted in designated outdoor smoking areas, not in any camp building or activity area.

Lightning—In the event of lightning, all outdoor activities will stop and all participants will move to the nearest shelter (not a tree). When the storm passes, Scouts will be advised by the area director as to their next step.

Extreme Heat—Hydration is one of the most important ways to stay healthy at camp, since it helps campers acclimate to the altitude. Each person should drink as much as four (4) quarts of water a day during extreme temperatures. Even those in excellent physical condition should avoid strenuous exercise during these times.

AROUND CAMP

Fishing – Bring your own pole and bait. There is a limit of 2 fish per week per Scout. For adults it is catch and release. You may cook your fish at camp or take it home to enjoy.

Trading Post—provides a full selection of camping necessities, souvenir items, camp t-shirts, writing paper, pencils, stationery, and comfort items. Natural foods (such as fruits and trail mixes), candy, soda, ice cream, and other snacks are also available. The trading post is open daily, with hours posted. About \$50 per Scout should meet most needs during the session.

Lost and Found

Lost and found items are collected at the camp office. Leaders should encourage Scouts to mark their belongings with name and pack number. Items will be kept for until the end of camp, then brought to the Council Office. If not claimed by August 15 they will be donated to a local charity.

Animals and other Wildlife

Racoons, bears, mice, and other rodents call Camp Lassen home. To avoid unfortunate encounters with the wildlife:

- Don't feed the animals or approach them in camp.
- Packs can leave smellables (food, snacks) in the lodge in plastic tubs or coolers instead of in campsites.
- Perishable Foods – The health department has informed us we may not have coolers of perishable foods at camp. We have a limited amount of space in a section of a refrigerator for those that need to bring special foods to camp (that need refrigeration).

AWARDS AND CAMP SPECIALTIES

Camp Lassen Annual Camp Patch – The camp patch will be awarded to each Scout and adult upon successfully completing checkout.

Camp Lassen Mug will be handed out during the camp tour on arrival day for each youth and adult attending camp. Please use this mug throughout the week. There is a sink in the lodge where it can be washed.

Unit Theme Banner Award – Judges (meaning your fellow Packs) will closely inspect each unit's "Pack Banner". The unit with the best incorporation of camp theme, workmanship, youth involvement, and graphics will receive the Unit Banner Award at the end of the session.

Camp Supplies—Your camp commissioner will help you get latrine supplies and cleaning equipment, and pick up tools for special camp projects. The pack is responsible for returning all checked-out items in clean working order prior to departing camp.

Thank you for choosing Camp Lassen. We look forward to helping you make memories to last a lifetime. This adventure will become part of your past that we hope you celebrate in the future.
