

# "GIVE CAMP LASSEN LOVING "

Camp Lassen is located in Buttes Meadow, CA and was built in 1935! The Golden Empire Council took possession from Sierra Pacific Industries at the end of 2018. The camp provides great camping opportunities to Scouts and their families. Some of the facilities are in need of some *"Tender-Loving-Care."* The GEC volunteers are launching a Capital Campaign and need YOUR help to raise funds, gather services, materials, and support to **"Give Camp Lassen Loving."**

*We will keep you up to date on any changes.*

Blueprints have been located and we are looking for contractors to give estimates and donations for each project. We need your help if you work for a company, contractor, supplier or unit willing to help or donate to complete these projects.

**Give to the "Give Camp Lassen Loving" campaign!**
